4.- EU FUNDS: OUR OPERATIONAL WORK

- ✓ We have a department that examines daily newsletters, publications and guides (POCU, PNDR, Interreg, ...), in order to select the calls for greater interest for companies, business associations and NGOs.
- ✓ When a company or organization has studied the submitted to a call, we hold a personal meeting with it, in order to advise on the lines of the call appropriate to each company.
- ✓ As a later stage, we developed an inform, which contains a summary about the points of interest of the call, documentation at present, terms, structure, specifications, and other relevant information.
- ✓ Once accepted our proposal, we proceed to collect information and write (with the collaboration of the company or body interested), the technical and economic report of the project.
- ✓ Once documentation is ready to present, we communicate with the corresponding company in order to get your Vº Bº, and proceeding to presenting it to the corresponding agency (either electronically or, in person).
- ✓ During application processing, we manage to respond requirements to those arriving by different agencies.
- ✓ Approved aid or grant requested, proceed to execution project, and sometimes depending on the type of project submitted, Creator runs all of it, in others, part of the project is executed by the company, and partly by Creator as a partner. Sometimes we just do the administrative management of the project.
